With Songtrix Bronze users are able to create a mix of musical events that they can customize to the way they like. With Songtrix Bronze users are able to learn how to compose songs and compose in a variety of ways. Songtrix Bronze Discussion: Songtrix Bronze Discussion: I'd been thinking about Songtrix for quite a while, maybe even since the early days of FL Studio. I had this really nagging desire to make some music, but just wasn't at the level to even attempt it on my own. Then I stumbled on a FL Studio tutorial that talked about Songtrix. I'd never heard of it, but I really liked the idea of being able to analyze a song structure and melody. After I bought Songtrix, I instantly fell in love with it. I found
